ABOUT THE COMPETITION

About the Competition:

As some of the great philosophers on this planet said if you want to be excellent in anything then practice it hundreds and thousands of times. The only way to achieve greatness is by practicing and improvements.

With the same motto, my campus buddy is organizing CSE (Competition For Skill Enhancement) for college students where they will develop & enhance their skills by doing a good amount of practice during this competition.

By participating in this competition college students can master their existing skills or can learn a new complementary skill.

The purpose behind organizing this competition is to give college students a platform for mastering their skills as well as a sense of accomplishment.

Terms:

1. All the below competition is only for solo participants which means this is not a team competition only one person can participate in each competition.
2. All the skill enhancement competition is only for college student, the one who is in college right now.
3. My campus buddy may give gift vouchers or goodies to the winner of different competitions for appreciation and acknowledgment of their hard work.
4. Winners of the different skill enhancement competitions will get featured on our web platform and social media.
